A movie poster for 'Not of This Earth'. The top half features a close-up of a woman's face with a look of intense fear, her eyes wide and mouth open. In the foreground, a large, grotesque alien creature with a yellow, textured body and a wide, toothy mouth is shown. Instead of a tongue, it holds a small globe of the Earth. The background is dark with some faint, glowing lines. The text is arranged in a vertical column on the right side and a large title at the bottom.

THE KILLER WHALE!

The killer whale is one of the most intelligent creatures in the universe. Incredibly, he is the only animal other than man who kills for revenge.

He has one mate, and if she is harmed by man, he will hunt down that person with a relentless, terrible vengeance—across seas, across time, across all obstacles.

FIGHT FIRE WITH FIRE

A large dragon with dark, textured wings is shown in profile, breathing a powerful stream of fire towards the right. The background is a cityscape at night, with buildings on fire and a bright orange and yellow glow from the flames. The sky is dark and smoky. The overall scene is dramatic and intense.

THE BATTLE IGNITES JULY 12

Meet Otto. He's a clean-cut kid
in a dirty business. He's a Repo Man.
He steals cars legally.

Now, he's out to repossess
a '64 Chevy Malibu...with an
amazing reward of \$20,000.

But, Otto is not alone. There are others
who want the car and will do anything
to get it.

The risks are great, because hidden
in the trunk is something so incredible
it could destroy them all.

*We'll give you a hint...
it glows in the dark.*

REPO MAN

*...It's 4 A.M.,
do you know
where your car is?*

A vintage movie poster for 'Son of Frankenstein'. The background is a deep red. At the top, a large image of Boris Karloff as Frankenstein's monster is shown from the chest up, wearing a dark coat and holding his right hand to his forehead. Below this, the names of the lead actors are listed in white, bold, sans-serif font: 'BASIL RATHBONE · BORIS KARLOFF · BELA LUGOSI'. The title 'SON OF FRANKENSTEIN' is written in a large, yellow, jagged, hand-drawn font. Below the title, the names of other cast members are listed in white: 'WITH LIONEL ATWILL · JOSEPHINE HUTCHINSON · DONNIE DUNAGAN'. At the bottom of the poster, there is a smaller illustration showing three characters: a green-skinned Frankenstein's monster on the left, a man with a mustache in the center, and an older man with a white beard on the right. At the very bottom, in small white text, it reads: 'Original screenplay by Mark Ziskin • Produced and directed by ROWLAND V. LEE A ROWLAND V. LEE Production • A NEW UNIVERSAL PICTURE'.

A movie poster for the film 'Spaceballs'. The top half shows a large, complex space station or planet in the background, with a yellow spaceship flying towards the right. The bottom half features the main cast members: a woman in a white dress holding a gun, a man in a brown suit, a woman with a cat-like face, a man in a black hooded cloak, and a man in a green suit pointing upwards. The title 'SPACEBALLS' is written in large, bold, white letters at the bottom, with 'MEL BROOKS'' written above it in smaller white letters.

A movie poster for "Stage Fright". The background is dark purple. In the center, a clown with a white face and glowing orange eyes looks forward. Behind the clown, a figure in a dark suit is silhouetted on a stage, illuminated by a spotlight. The scene is framed by two tall, ornate, cream-colored pillars. At the top, a decorative, golden, crown-like element arches over the pillars. The title "STAGE FRIGHT" is written in large, bold, yellow, block letters at the bottom.

A dramatic movie poster for 'The Brain Eaters'. The central image is a close-up of a woman's face, her eyes glowing a bright, unnatural yellow. Her mouth is wide open in a scream or shout, revealing sharp, white teeth. Above her forehead, her brain is exposed, with a brilliant white light radiating from it in a starburst pattern. The background is a dark, moody purple and blue. To the right of the woman's face, the text 'CRAWLING, SLIMY THINGS' is written in a white, sans-serif font. Below that, 'TERROR-BENT ON DESTROYING THE WORLD!' is written in a larger, bold, white font. At the bottom right, the title 'the Brain Eaters' is displayed in a large, yellow, stylized font with a black outline. In the bottom left corner, there is a small silhouette of a group of people running away from a large, menacing figure. At the very bottom, the cast and production credits are listed in a blue font.

THE
BIGGEST

SINCE
CREATION!

The
GIANT
BEHEMOTH

A vintage movie poster for 'The Giant Behemoth'. The background is a bright yellow-orange. A massive, dark green dinosaur with its mouth open, showing sharp teeth, dominates the right side of the frame. In the background, a city skyline is visible, with a prominent clock tower resembling Big Ben. Several military jets are flying in the sky. In the foreground, there is a scene of destruction with debris and a few people looking up in shock. The title 'The GIANT BEHEMOTH' is written in large, bold, orange letters with a black outline, slanted across the bottom left. At the top left, the text 'THE BIGGEST THING SINCE CREATION!' is written in black. At the bottom, there is a line of small text listing the production and creative credits.

THIS WAS THE DAY THE 20th CENTURY MET THE PRIMEVAL WORLD FACE-TO-FACE!

EDGAR RICE BURROUGHS'

Strange companions. The crew of a German U-Boat and the survivors of a torpedoed merchant ship lost in the fog-shrouded South Atlantic.

Suddenly, land – where no land should be. A lost continent, a place out of time and mind. Earthquake torn, volcano wracked, crawling with monstrous prehistoric reptiles, a savage battleground for bloodthirsty proto-humans.

**It was a land that time forgot.

A vintage movie poster for 'The Man from Planet X'. The central image shows a man in a dark space suit with a clear spherical helmet, holding a glowing circular object. To his left is a large, blue, metallic alien figure with a circular opening for a face. To the right, a woman in a red, form-fitting dress looks up at the man in the helmet. The background is dark with some faint lights. The text is arranged in a classic promotional layout.

The poster features a central image of Mamie Van Doren with long blonde hair, looking slightly to the right. To her right is a close-up of a woman's face with dark hair. Below them are two astronauts in space suits, one looking forward and the other looking down with a distressed expression. A pterosaur is flying in the upper left, and another is flying in the center, partially overlapping the text. The background is a fiery orange and red gradient.
